Payment Type: _____

Payment Amount: _____

Rules:

The entry fee is \$5.00 per gingerbread house. We will accept cash or check. Checks need to be made out to Main Street Clinton.

For the amateur and child categories: Major components (such as walls and roof) must be made of gingerbread. Gingerbread houses can be decorated with candy or other edible embellishments. Caulking, gluing, spraying, or preserving may be used but must be covered by edible material. All candies must be unwrapped. The base must be completely concealed with an edible material.

Houses may not contain any food item that needs refrigeration.

We cannot accept structures made with egg or butter icings as they can quickly turn rancid and compromise the durability of the house.

Contestants may use pre-made gingerbread house kits.

To be eligible for the competition, a signed and completed entry form, along with payment, must be received by Main Street Clinton no later than Wednesday, December 8th at 4:30 p.m. If a competitor is under eighteen years of age, the form must be signed by a parent or guardian.

Entries must be dropped off at the Olde Towne Depot by 4:30 p.m. on Friday, December 10th. For judging purposes, please write your name on the underside of the base. Upon arrival, please have your name and gingerbread house title on visible separate signage for display purposes following judging. Title/name cards will be removed during judging, so please make this a separate piece.

All entries will be judged based on overall appearance, originality, creativity, and precision.

Entries will be on display Saturday, December 11th to Saturday, December 18th.
